**Re: Comments to the Draft EIS/EIR CALFED Bay-Delta Program****Dear Mr. Breitenbach:**

South Delta Water Agency has previously made comments to the CALFED process and Draft EIS/EIR by way of correspondence and comments authored by Alex Hildebrand, Director of the South Delta Water Agency. Those previous correspondence and comments should be considered South Delta's comments to the DEIS/EIR. In addition, SDWA joins in those comments submitted by the Central Delta Water Agency. SDWA looks forward to continuing to work within the process in order that the goals of CALFED are met in a manner which complies with existing law.

Please call me if you have any questions or comments.

Very truly yours,

JOHN HERRICK
